COVID vaccinations update for neighborhood (pods at churches)  
Tentative upcoming annual events

**8:09pm:** Kegan shared plans for Parklet on Otterbein. This is all dependent on funding. We have permission from the city to do this work as long as we maintain it. Omega has plans to revamp the playground and we will hopefully be creating a planning committee with William.  
Kegan shared images of possible future parklets/gardens/etc. William mentioned possibly having some kid friendly urban landscaping.

**8:28pm:** Gillian Vincent inquired about urban garden. Connect with William/Omega. We should plan on creating a community garden once COVID is under control.

**8:32pm:** Next meeting agenda will include budgets and future funding.

**8:42pm: Meeting Adjourned**
